CHARGER I

With a universally appealing design language, the Charger family offers a wide-ranging, high performance gimbal spotlight. Available in single, double or triple variants and with each optic delivering up to 6210 lumens, 15°, 30° or 45° reflectors. CRI of 90+ and colour temperatures from 2500K to 5000K, the Charger family offers all of the benefits of a traditional spotlight in a gimbal appearance.
